Die Setter Apprentice

Description

Weiss-Aug Co., Inc., located in East Hanover, New Jersey, provides custom insert molding, precision metal stamping, and assembly solutions for our customers. With over 35 years of experience serving the automotive, medical, electronics and semiconductor industries, our experts in design, engineering, tooling and manufacturing excel at providing precision manufacturing through innovative design. Weiss-Aug is ISO: 9001:2000, TS 16949:2009, ISO 13485:2003 Certified.

Weiss-Aug seeks enthusiastic, committed individuals who are interested in learning a trade. The Weiss-Aug Apprenticeship Program provides a pathway for individuals to learn and master skills in die setting while earning a salary in a career that can lead to many opportunities and advancement in the manufacturing industry.

Job Benefits

We offer competitive wages. In line with the program, there will be periodic pay increases based upon successful completion of specified tasks.

We offer a comprehensive benefit program which includes medical, dental, prescription, and life insurance, as well as 401K and time off benefits.

You will be provided with a set of tools for you to start the program. Upon graduation from the Apprenticeship Program, these tools become your property. If you choose to leave the program before graduation, the tools will remain Weiss-Aug's property.

We are an equal opportunity employer.
